We, the Aerie Staff of 1951-1952, dedicate this yearbook to the Georgetown Eagle Band for their contribution to the community and its citizens; for their contribution to Georgetown High School and its student body; for their achievement at the Regional Contest held in Waco in April, 1951.

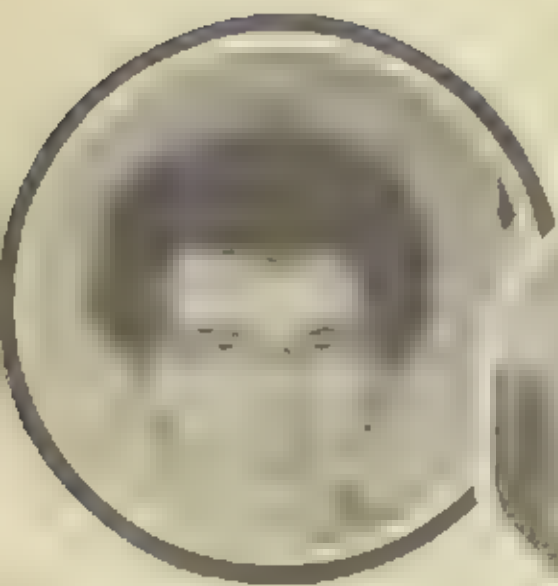

Foreword

Any way you turn, it's gates, gates, gates! Life is full of them! Some you will open--and others you must close. AERIE gates, however, are all open; open to you who will graduate from one class to the next, and to you who will graduate from Georgetown High School and go out to make your mark on the world.

John - Jerry Downs look on. A scene from "The Man in the Bowler
Hat."

Below: Marjorie Poole
and Edwina Carter from
a scene in the play, "Lost
Victory."

Glenn Eads dances with Jane Johnson while Albert Munson and Broomstick Paula Foust enjoy themselves.

These characters, Jane Johnson and Mary Ann Springer make quite a dancing couple in their "costumes."

From the looks of these people everyone had a hilarious time at the Soc'n' Buskin Masquerade Party.

Watch out, Don and Christy! One move of that foot will send that stick a spinnin

These Junior girls decided to take time out for a cool refreshing drink after a considerable amount of "hard" labor.

Jerry Downs displays his grin while Lars Engel must be hunting for something with that wee instrument of his.

Don't Glenn Eads and "Kenny" Burns look "snazzy" in their outfits? Our "little girl", Billy Cheak, received a lot of attention at the Masquerade Party.

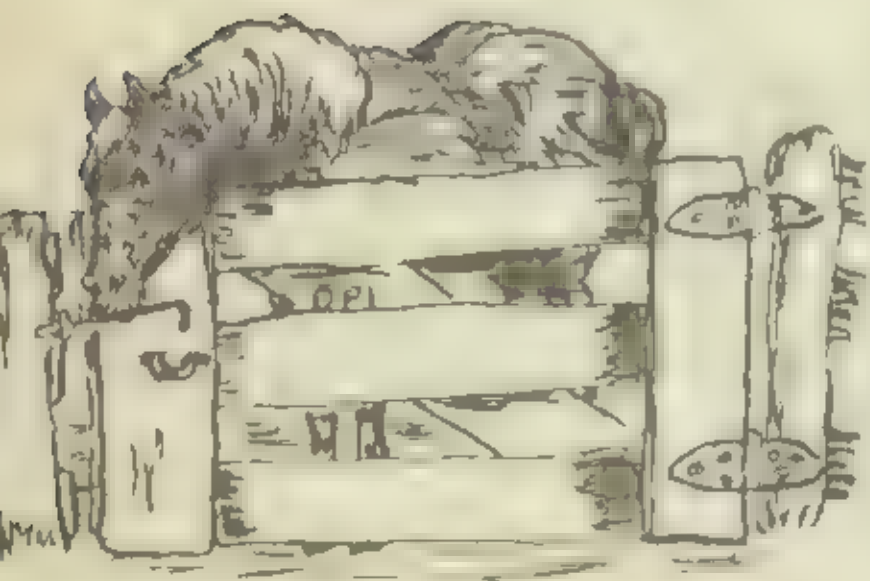

In the background, we notice

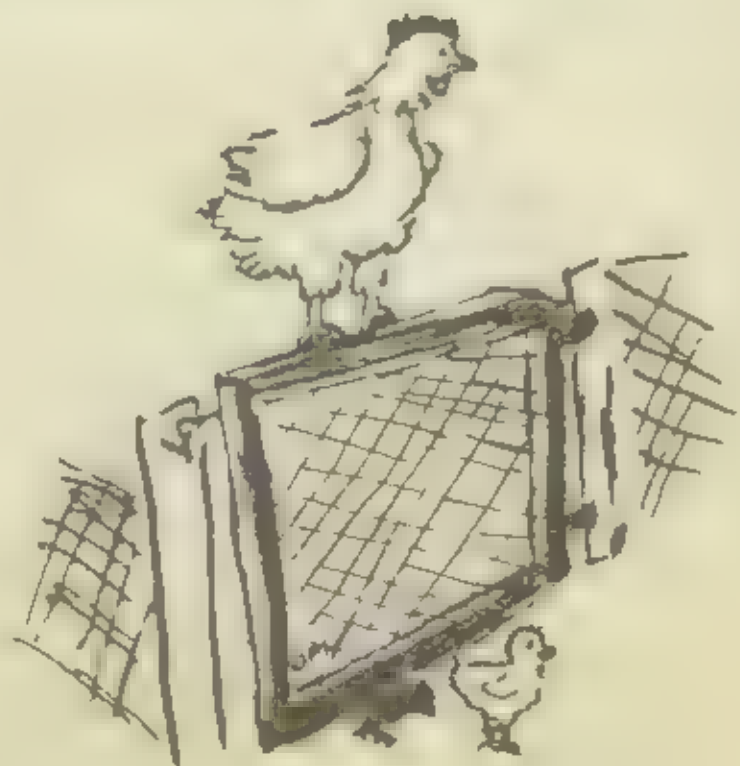

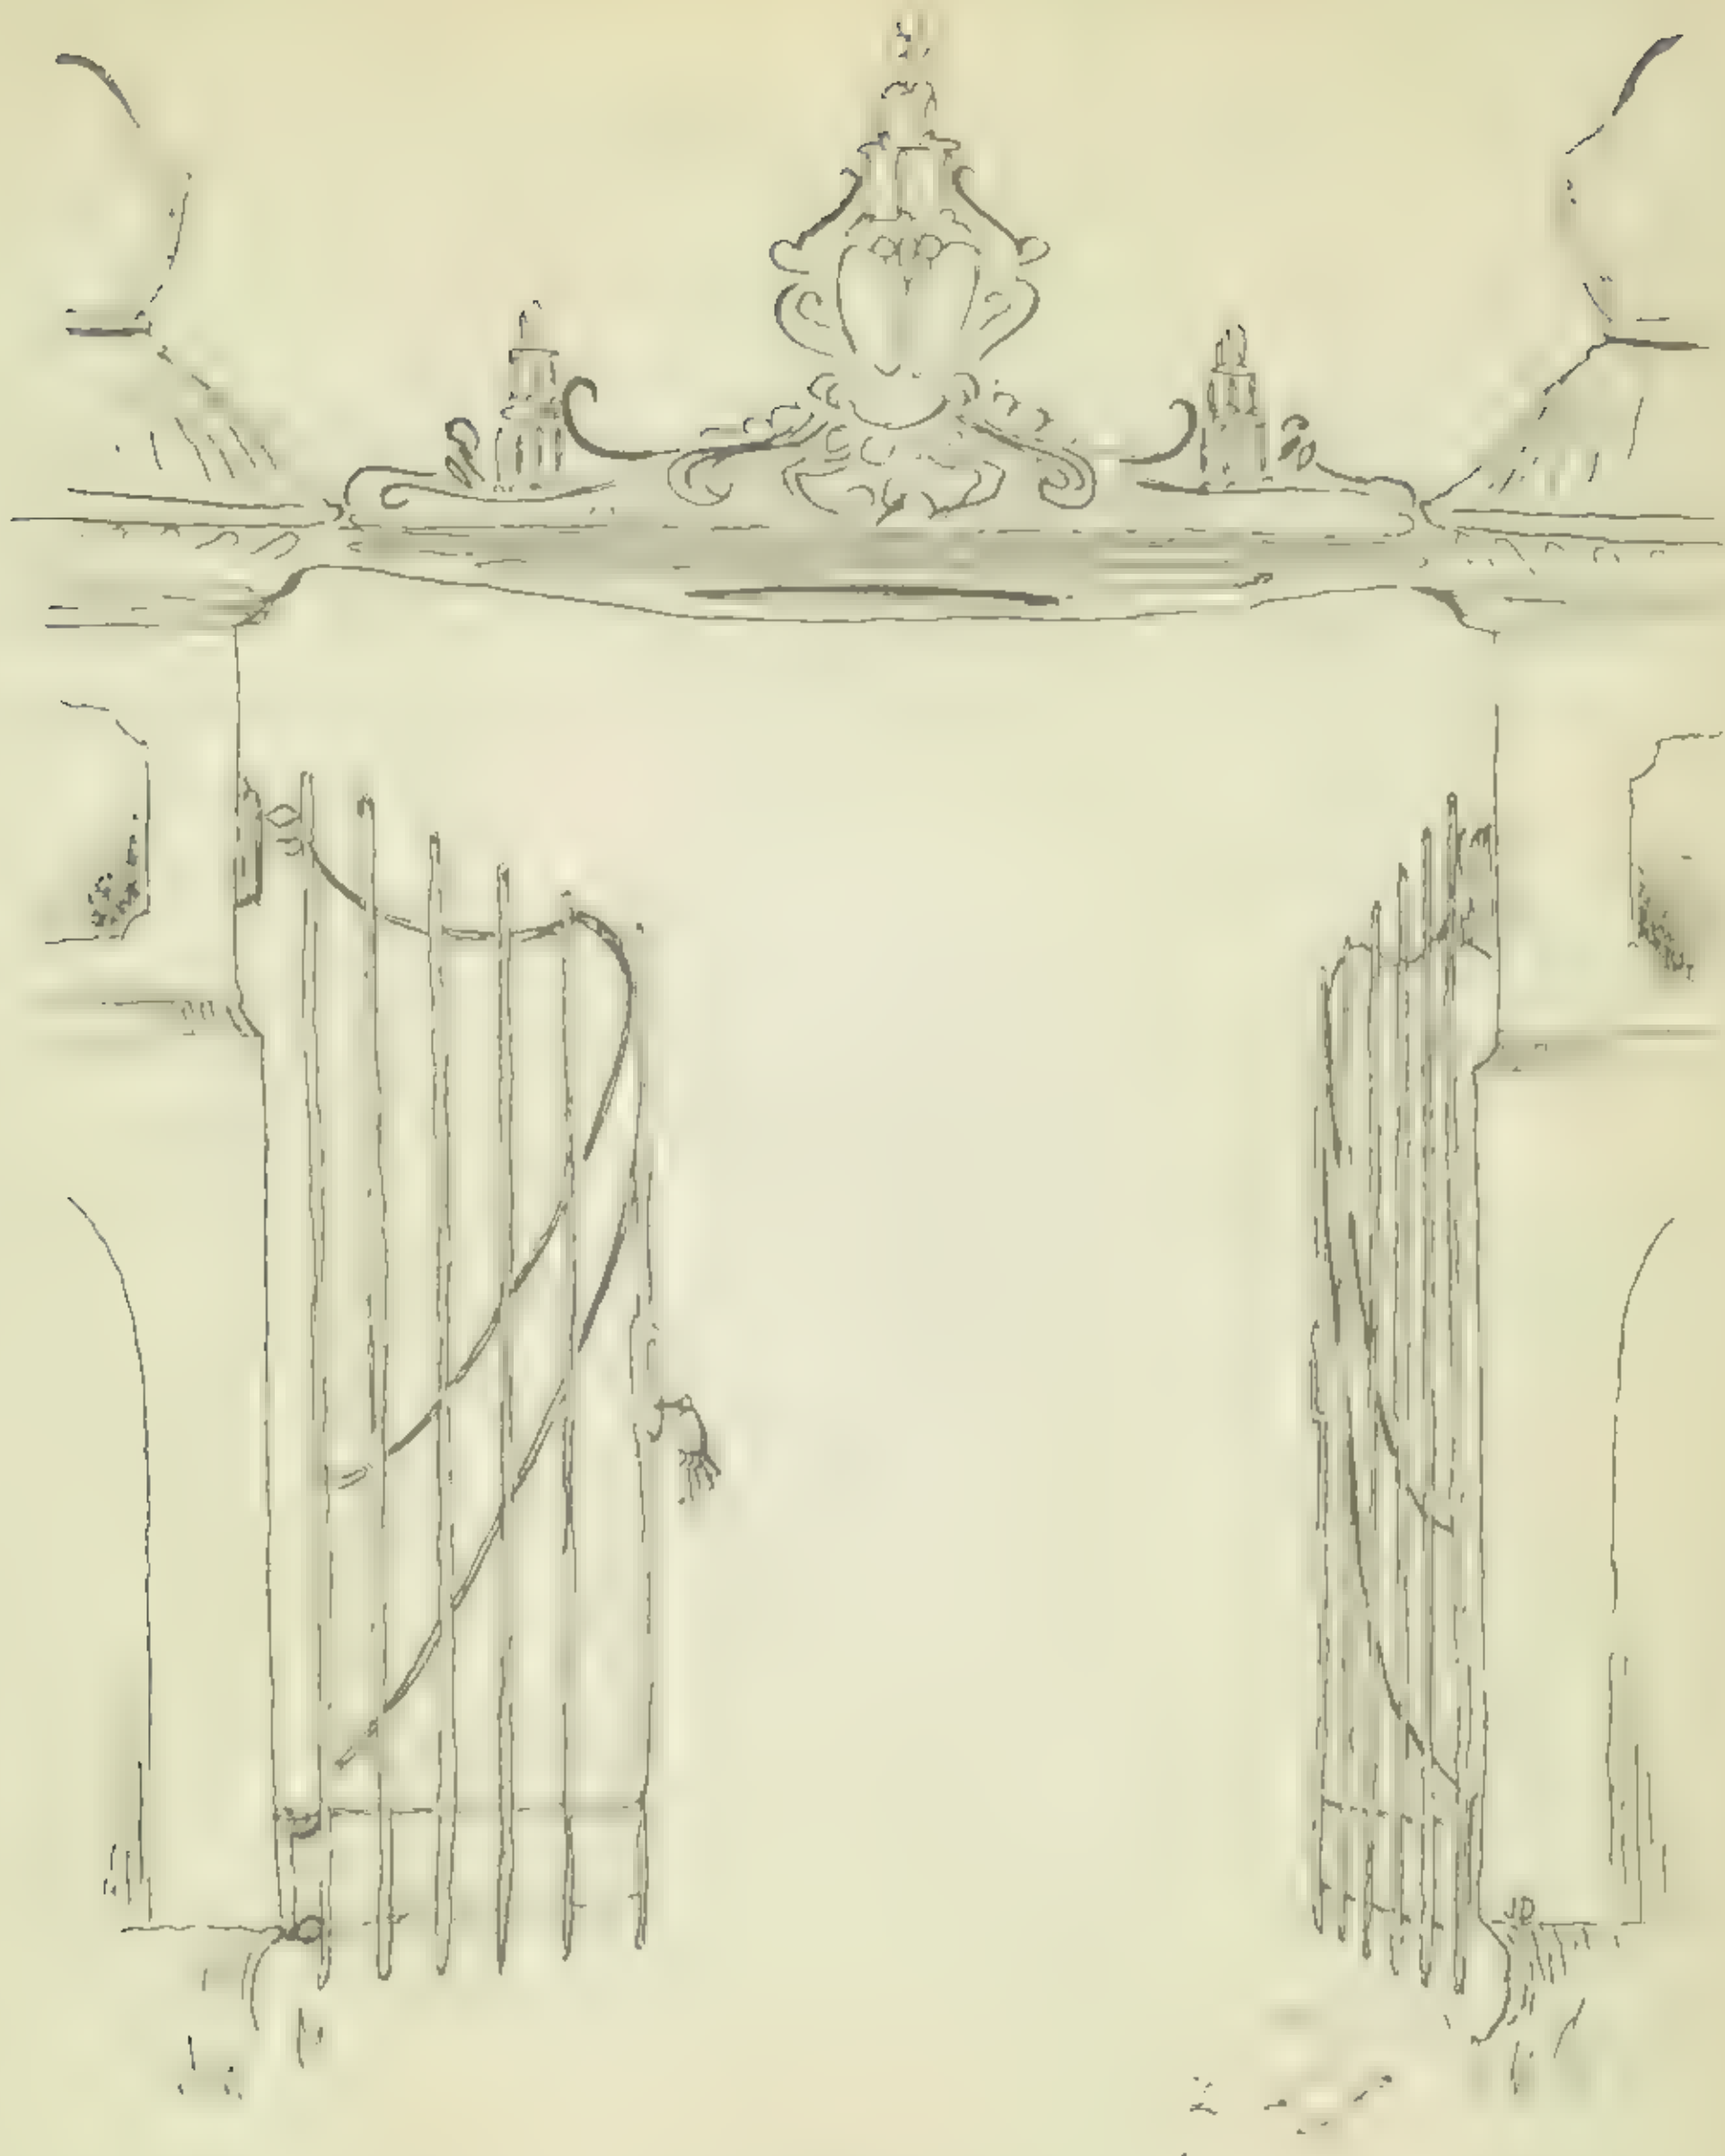

Mr. Williams and his Fiddle Band entertain a home room.

Harvey Brabrant, George Anderson, Wilburn Law, Donald Ewing, Pete Byrd, "Pop" Williams, Jimmy Nunnery, Wilburn Laubach and Fredrich Sullivan entertaining.

Future Homemakers

The Future Homemakers of America is a national organization of pupils studying homemaking in senior high schools. Here each member has the opportunity for the development of pupils' initiative in planning and carrying out activities related to homemaking.

The Future Homemakers try to develop social qualities and promote better home life for themselves and their families.

This year the Georgetown Chapter participated in the Area VI program at San Marcos and went to the State Fair at Dallas. Pat Hellums was elected Vice President of Area VII.

The F. F. A. is an intra-curricular activity, it is not and is not a definite part of the school curriculum. Its foundation rests on these ten merits: LEADERSHIP and CHARACTER DEVELOPMENT, SPORTSMANSHIP, COOPERATION, SERVICE, THRIFT, SCHOLARSHIP, IMPROVED AGRICULTURE, ORGANIZED RECREATION, CITIZENSHIP and PATRIOTISM.

The FUTURE FARMERS OF AMERICA exists today because of a cooperative spirit and the desire on the part of farm boys to have a national organization of their own.

SUE GODWIN, F. F. A. Sweetheart

Sue Godwin was chosen to represent our chapter in the state contest of F. F. A. Sweethearts. Other entrants were Dorothy Foust, Marilyn Kelm and Billie Hunt.
